STAY FROSTY[®]

PERFORMANCE COOLANTS

Stay Frosty[®] Race Ready is a proprietary VP Racing Fuels coolant formulated for high-compression, high-heat racing engines. It contains a specialized blend of heat transfer agents that drastically improve coolant's ability to transfer heat away from high temperature cylinder heads. Temperatures of engines are reduced by up to 30°F compared to conventional glycol-based coolant.

100% Water-Based Glycol-Free Formula

Reduces Engine Temps Up to 30°F

Blended with Chemically Stable Reverse Osmosis Water

Ready-To-Use – Just Pour In (Also Available in Clear)

OFFICIAL PERFORMANCE COOLANT

***Lower Temps.
More Power.***

RACING OPTICS®

Looking for windshield tear-offs?

Racing Optics, a Proud Partner of IMSA, is the industry leader in multilayer, laminated tear-offs, and is proud to offer their product and installation services to IMSA teams and competitors.

For those looking to purchase product away from the track, Racing Optics is excited to offer IMSA teams and competitors a special **20% off promo code** for Racing Optics windshield tear-offs on Pro-Tint's [online shop](#).

Use code **"IMSA20"** at checkout to receive your discount.

To schedule an install or for more information, please contact:

FIA DRIVER CATEGORISATION DEADLINES

On Wednesday, July 31, IMSA published a Competition Memo reminding any Driver that holds a FIA Driver Categorisation and who wants to file a request for review for 2025, that the deadline to do so is no later than Saturday, August 31, 2024.

Please review the specifics in the Competition Memo for additional information.
